

## TECHNICAL INFORMATION AND SPECIFICATIONS

### MICRODOR® SHAMPOO

**Registration no. 03212-H**

#### Product description:

**Microdor® Shampoo** is specially formulated for use on pets, it respects the animal's bacterial flora and the natural pH of the skin, it can even be used on puppies or animals with sensitive skin.

**Microdor® Shampoo** contains a **zinc** derivative that eliminates odours by capturing the molecules that cause them. **Zinc** is an essential trace element, with many beneficial functions for animals, including improving their appearance, skin and the quality of their fur. To maintain and complete the treatment of odours, apply **Microdor® body** daily.

**Microdor® Shampoo** also contains **conditioners** that make it easier to brush the animal after bathing, and leave its fur shiny.

Contains: Zinc ricinoleate at 0.64%, and conditioners at 2.6% (neem extract, polyquaternium-7 and panthenol).

#### Instructions for use and dosage:

Wet the animal's fur with warm water and apply a small amount of **Microdor® Shampoo**. Massage in gently, leave to act for a few minutes and rinse. Repeat if necessary.
